PORTFOLIO | GITHUB | LINKEDIN

PROFILE SUMMARY

Aspiring Flutter Developer and Computer Science student with a solid foundation in Java, Object-Oriented Programming (OOP), and mobile application development. Passionate about building scalable, cross-platform applications using Flutter and Firebase through academic and personal projects. Experienced in integrating AI-powered features, writing clean and maintainable code, and developing user-centric applications while continuously learning modern software development practices.

INTERNSHIP EXPERIENCE

AstroWeb Solutions - Flutter Developer Intern *(May 2025 - Jun 2025)*

- Worked alongside experienced software developers on live Flutter projects, gaining practical exposure to professional mobile application development.
- Learned the complete software development lifecycle, from requirement analysis and development to testing, debugging, and deployment.
- Enhanced Flutter and Dart development skills by observing code reviews, following clean coding practices, and receiving mentorship from senior developers.

ACCOMPLISHMENTS

- Elements 2k24 - Codeathon Participant
- Euphoria 2k25- AI Code Sprint (Winner : Rs.5000)
- Euphoria 2k25 - Creative App Sparks (Runner-up : Rs.3000)
- Academic Top Scorer, 3rd Semester (GPA: 9.18)

PROJECTS DETALS

- **PricePulse**: Developed a cross-platform price tracker using Flutter and Node.js and implemented automated web scraping and cron-based alerts to notify users of price drops.
- **Fitness Tracker**: Built an AI-powered fitness application using Flutter and the Gemini API, with Firebase Authentication and real-time progress tracking.
- **ProjIntel**: Developed an academic project-management platform using React, Node.js, and MongoDB, featuring milestone tracking, AI-powered risk insights, and dependency-aware task prioritization.

SKILLS

CODING LANGUAGES : Java, C, Dart and SQL
DATABASE : Firebase and MySQL
CORE SUBJECTS : OOP , Cloud Computing, Operating Systems, Devops.
FRAMEWORKS & TOOLS : Flutter, Git & Github and Render.
SOFT SKILLS : Effective Communication, Team Collaboration, Problem Solving and Time Management

EDUCATION DETAILS

B.E. - Computer Science and Engineering
Institue: Velammal College of Engineering and Technology, Madurai
University: Anna University
Year of Passing : 2027 | CGPA: 8.65
Course Type: Full Time

HSC (XII/12th)
Institute : Akshara Matriculation Higher Secondary School, Madurai
Board: State Board
Year of Passing : 2021 | Percentage: 83.67%
Course Type: Full Time

CERTIFICATIONS

- **UDEMY** - Flutter & Dart
- **IBM** - SQL and Relational Databases
- **NPTEL** – Cloud Computing
- **WIPRO**– Cloud Computing
