

MUTHUNILAVAN D

FLUTTER DEVELOPER / UI DESIGNER

23, 24 Feraka nagar extn. KRP Nagar , Pasumalai Madurai 625004.

SUMMARY

Flutter Developer with a passion for building high-performance, visually appealing mobile apps, dedicated to solving real-world problems through clean and efficient code. Proven ability to design scalable architectures, implement responsive UIs, and integrate backend services. Experienced in agile development, cross-platform deployment, and utilizing modern state management solutions to enhance app functionality and user engagement.

TECHNICAL SKILLS

- Programming Languages: Java, Dart, C
- Frameworks & Tools: Flutter, Firebase, Git, Android Emulator, Figma, Adobe Photoshop, Canva, Notion

SOFT SKILLS

- Problem-solving mindset
- Collaboration
- Communication
- Time management

PROJECTS AND WORKS

Weather App - Flutter, OW API, Custom UI (Done)

- Built a sleek weather app with real-time temperature, condition updates, and city search functionality.
- Integrated OpenWeatherMap API and displayed data using custom-designed UI components.
- Ensured a responsive, user-friendly interface with consistent styling and smooth navigation.

Fitness Tracker App - Flutter, Firebase Auth, Hive, Step Counter API (Done)

- Developed a cross-platform fitness tracking app to monitor daily steps, calories burned, and personal goals.
- Integrated Firebase Authentication for secure user sign-in and personalized progress tracking.

VCET Aptitude App - Flutter, Hive, Riverpod, Device Security, Custom UI (In Progress)

- Designed and developed an app for VCET students to attend aptitude tests created by faculty members.
- Implemented Hive for local storage and Riverpod for scalable state management.
- Integrated cheat-prevention features such as blocking split-screen, minimization, and background switching.
- Built a dynamic quiz interface with multiple question types, timers, and result tracking.
- Ensured a consistent and elegant user experience with a custom theme, curved navigation bar, and responsive layout.

EDUCATION

B.E. COMPUTER SCIENCE

VCET Engineering College, Madurai

CGPA: 8.7

Expected Graduation: 2027

HIGHER SECONDARY EDUCATION (HSC) - 12th

Akshara Matriculation Higher Secondary School

Year of Completion - 2023

Percentage : 83.67%
